The Honorable George A. O'Toole, Jr.  
U.S. District Court for the District of Massachusetts  
John Joseph Moakley U.S. Courthouse  
1 Courthouse Way Suite 2300  
Boston, MA 02210

Dear Judge O'Toole:

I am a graduate of Columbia Law School and I am writing to express my interest in a clerkship in your chambers for the term beginning in October 2022. I am currently clerking for Justice Brett Busby on the Supreme Court of Texas, and then plan to continue building a litigation career back on the east coast. I spent my undergraduate years in Massachusetts, and would love the chance to return to the state and contribute to your work for the court.

During my time at Columbia, the opportunities I pursued provided me with both breadth and depth in legal research and writing. As a Research Assistant for Professor Olatunde Johnson, I wrote memoranda on current legal scholarship regarding federal statutory and Constitutional issues. As a moot court participant and coach, I wrote and edited appellate briefs. And, as both a Legal Fellow at Human Rights Campaign and a Summer Litigation Associate at Proskauer, I wrote and assisted in writing reply briefs, complaints, policy memos, and legislative testimony. Additionally, I worked during law school as a judicial intern at the District Court for the Southern District of New York in Judge Paul Engelmayer's chambers, as well as at the Second Circuit Court of Appeals in Judge Gerard Lynch's chambers, so I have experience with both federal and state as well as district and appellate courts.

After graduating, I spent eight months on a full-time pro bono secondment from Proskauer with the Appeals Division of the New York City Law Department. At the Law Department, I was responsible for deciding appellate strategy, researching and drafting appellate briefs, and communicating with city agencies on a wide variety of cases. As a clerk for the Supreme Court of Texas, I write bench and submission memos that are distributed to the entire Court, produce petition and case summaries, and draft opinions. It has been a privilege to gain appellate experience this year with SCOTX, but I am eager to gain more trial litigation experience and am excited by the fast-paced, more party-focused environment of a district court. When my clerkship is over, I plan to continue forging a career in litigation practice.

I have included a resume, transcripts, writing sample, and letters of recommendation. I look forward to hearing from you.

Respectfully,  
Katie Ritter

Dear Hon. George O'Toole,

Please accept my enthusiastic application to join your chambers as a 2022–23 clerk. I am a 2020 Georgetown Law graduate, driven to work as a federal prosecutor at the intersection of national security and constitutional law. I bring a rare skillset from a decade as a campaign policy consultant, a Hollywood film and TV writer, and two back-to-back judicial clerkships. With that experience, serving you, Judge O'Toole, is my dream. I aspire to further the ideals you embody and would leap at the opportunity to support you in your leading role.

My shift into law was deliberate and hard-fought, starting as a writer of crime and political thrillers but with a hunger to support my community. In Hollywood, I was known for tackling hot-button issues and engaging in immersive research: meeting experts and traveling to often hostile locations to learn every fact. My desire for public service prompted my next step, advising civic and federal candidates on global security issues. In both fields, I came face-to-face with victimization and wrongs that I could not fix. I wanted to make a deeper impact. I volunteered teaching veterans and inner-city teens, ran for and won two terms as a board member of Hollywood's most influential labor union, and with that taste of public engagement, knew I had to take the leap into law.

Clerking for Judge Roy B. Dalton, Jr. of the U.S. District Court for the Middle District of Florida, and Chief Judge Matthew J. Fader of the Maryland Court of Special Appeals, I saw the bench's power to breathe peace into conflict. I aim to litigate at the federal appellate level and seek a mentor to point the way. Finding the judge who will tirelessly push past easy answers is why I ask to serve you. I have studied your opinions, heard stories of how you challenge common views, and seen the hard paths you take to get the law right. I will arrive with honed skills: research and writing, reliability under fire, public performance, and teamwork. My broad history affords one more key strength: maturity. Clerking in your chambers is where these threads unite. I hope I can fulfill my dream to join you and contribute my all.

A resume, transcripts, writing samples, and references are attached. I can be reached at [aribrubin@mac.com](mailto:aribrubin@mac.com) or (310) 907-5555. Thank you. I am grateful for the opportunity ahead.

Sincerely,

Chambers of Judge George A. O'Toole, Jr.  
*via OSCAR*

April 29, 2022

To whom it may concern:

My name is Loren Scolaro, and I am applying for the Term Clerkship posted on OSCAR. This is a particularly intriguing clerkship because of the opportunity to learn from Judge O'Toole's deep experience on the bench and to work in a dynamic district with as a wide variety of cases as the District of Massachusetts, which happens to be the district where I was born and where my mother became a United States citizen. My academic credentials, work experience, and background as a research assistant prepare me to face the challenges of and can add great value to this clerkship.

Though stationed in the restructuring group in my previous position, I worked extensively on contested matters and on litigation matters with bankruptcy components. As a team member on one of the firm's pro bono projects, I also had the opportunity to assume primary drafting duties for an amicus curiae brief filed in the Eleventh Circuit, and I look forward to drawing upon this and my experiences in bankruptcy court as I expand my expertise. Because of my law school internships in Judge Titus's chambers in the District of Maryland and at the United States Attorney's Office for the Southern District of New York, I have experience at the federal district court level as well.

Additionally, during and immediately after graduating law school, I performed extensive research for two different professors, on both civil and criminal procedure. Currently, I am working on an article on the treatment of burdensome contracts in chapter 11 restructurings, based on patterns that I observed in my prior practice, and I intend to submit this article for law review consideration when complete.

My complete application package is attached. I am happy to provide additional information as needed, and I look forward to further discussion with you. Thank you for the time and consideration.

Sincerely,

A handwritten signature in black ink, appearing to be 'L. Scolaro', with a long horizontal flourish extending to the right.

The Honorable George A. O'Toole, Jr.  
United States District Court for the District of Massachusetts  
John Joseph Moakley United States Courthouse  
One Courthouse Way, Room 7130  
Boston, MA 02210

Dear Judge O'Toole:

I am a 3L student at the University of California, Berkeley, School of Law. I am writing to apply for a clerkship with your chambers during the 2022-2023 term. My family lives in southern Maine, and I would be eager to return to New England after graduation.

I am interested in pursuing a career in appellate litigation or teaching. Prior to law school, I obtained an advanced degree in biochemistry. I spent three years working in a protein engineering lab, teaching advanced science courses, and leading community science outreach endeavors. These experiences equipped me to tackle new and challenging problems, to communicate effectively, and to work collaboratively. I would bring my drive and love of learning to a judicial clerkship, where I would be an enthusiastic, eager, and effective member of your chambers.

At Berkeley, I have sought out opportunities to learn how to be an effective legal advocate. I am a student leader of the Native American Legal Assistance Project, where I have worked on issues related to Native land ownership and helped to supervise 1Ls as they conduct their own research projects. This year, I am continuing to gain written and oral advocacy skills as part of the Ninth Circuit Practicum, where I am representing a pro bono client during her immigration appeal process. This experience was my first exposure to immigration law, but I have deeply enjoyed it and intend to continue pro bono work in that field.

I am also very passionate about legal research, writing, and scholarship. As a result of my interests in administrative and environmental law, I have been able to publish two pieces while at Berkeley Law. In addition, I serve as the Supervising Editor of the *California Law Review*, a senior editor of *Ecology Law Quarterly*, and a research assistant to Professor Tejas Narechania.

Please find included in this application my resume; law school transcript; undergraduate transcript; writing sample; and four letters of recommendation from Professor Tejas Narechania, Professor Catherine Fisk, Robert Infelise, and Justice Marla Miller.

I would welcome the opportunity to interview with you and look forward to hearing from you soon. Thank you in advance for your time and consideration.

Sincerely,

Delia Scoville

Chambers of the Honorable George A. O'Toole Jr.  
United States District Court for the District of Massachusetts  
1 Courthouse Way, Suite 2300  
Boston, Massachusetts 02210

Dear Judge O'Toole Jr.:

I am a third-year associate at Kirkland & Ellis writing to express my interest in becoming a law clerk in your chambers for the term beginning on October 3, 2022. Enclosed are my resume, writing sample, undergraduate transcript, law school transcript, and letters of recommendation.

As a restructuring associate at Kirkland & Ellis, I have worked on a wide array of substantive legal issues that large bankruptcy cases often encompass. Similar to a clerk's work in chambers, I have researched and prepared legal memoranda on issues across bankruptcy, constitutional, labor and employment, property, and contract law, and have prepared for contested hearings, trials, and appeals stemming from bankruptcy proceedings. Additionally, I have drafted numerous pleadings in both state and federal court, including recent appellate briefs in both a federal district court and circuit court of appeal.

Based on this experience, I am pursuing a clerkship to expand my knowledge and skillset in complex litigation, with the goal of practicing as a commercial and bankruptcy litigator. I am confident that the foundation I have built at Kirkland will make me an excellent addition to your chambers.

Thank you very much for your consideration, and I hope to hear from you soon.

Sincerely,

The Honorable George A. O'Toole Jr., District Judge  
John Joseph Moakley U.S. Courthouse  
1 Courthouse Way, Suite 2300  
Boston, Massachusetts 02210

Judge O'Toole:

I am writing to apply for a term clerkship in Your Honor's chambers for the October 2022 – October 2023 term. Currently, I am a term clerk for Judge Mary F. Walrath in the United States Bankruptcy Court for the District of Delaware. I find it engaging and educational and believe I would benefit from clerking for another year. I think clerking in the District Court would broaden my horizons and hone my education.

I believe clerking has numerous benefits. I appreciate that I'm tasked with working on various cases at various stages in their life. It provides a sense of the overall structure of the process in practice. I appreciate the opportunity to view and grapple with the final products – oral and written – delivered by the parties to the court. Together with the insights of the Judge, this experience is invaluable towards developing a sense of good and bad lawyering. I appreciate the opportunity to engage with legal issues from a non-adversarial perspective. Particularly given my background, I find it easier to learn the law when I can freely explore multiple perspectives on an issue.

I believe my experience as a clerk for a bankruptcy judge has broad application and would be useful in the District Court. Bankruptcy is a combination of both specialization and generalism: it has its own idiosyncratic code but pulls in varied underlying state and federal law. Bankruptcy is a complex, aggregated dispute resolution process with varying modes from largely cooperative to adversarial. It is, moreover, increasingly – and controversially – the context of massive litigation with large public policy implications.

Thank you for considering my application!

Best,

Christopher S. Stahl

Judge O'Toole  
John Joseph Moakley U.S. Courthouse

1 Courthouse Way  
Boston, MA 02210

Dear Judge O'Toole:

I am a graduating law student at Northeastern University School of Law, writing to express my interest in the law clerk position with District Judge O'Toole for the 2022-2023 term. I am a Boston Massachusetts native and have a significant desire to practice law in Massachusetts going forward.

Throughout my legal career, I have taken on opportunities that would prepare me well for this position. During my 2L year, I had the pleasure of working as a law intern for Judge O'Toole and his other law clerks. I believe this experience would be an asset going forward because I already have familiarity with both the writing style and internal practices of the chamber. During my internship, I worked on a variety of issues involving substantive and procedural law including the security exchange act, local rules for the district, and interpleader actions. Similarly, I also had the opportunity to work for a United States Senate Committee. From this experience I gained an in-depth knowledge of how to analyze legislative intent and the interactions between legislation and the other branches of government. Since then, I have focused on gaining litigation experience in a wide variety of fields, at law firms, while concurrently managing a full case load of classes. I believe my ability to manage classes and working is strong preparation for the challenges of managing deadlines as a law clerk.

Included in my other materials, please find a resume that goes deeper into my legal experiences and work history, recommendations from my former professor Rashmi Dyal-Chand, and former supervisor Carolin Hetzner, and current supervisor Andrew Hassey. Regarding my transcript, my school does not give formal letter grades; instead, each professor writes about the legal acumens displayed by the student during the course. In addition, under the "other transcript" document section, I have included three evaluations of my performance as a legal clerk written by Judge O'Toole, my attorney supervisor at the US Senate Committee, and my former supervisor at Cetrulo LLP. While these are not official recommendations for this position, I believe they go a long way in showcasing my abilities and give a snapshot of how I would fit in as a member of your chambers.

I would love nothing more than to bring my skills and experience to work in your chambers and continue my development as an attorney. Thank you for your consideration.

Respectfully,

David Stout

My interest in pursuing a clerkship stems from my perspective as the son of an Argentine immigrant. The birthplace my mother described to me growing up was one of dictatorship and *desaparecidos*. I heard stories of my uncle aiding guerillas by hiding weapons in my grandparents' basement and of family friends who were clandestinely murdered by the state. I was imbued from a young age—and on a very personal level—with knowledge of the consequences when the rule of law breaks down.

Given this background, I would bring to a clerkship a sense of urgency in ensuring that every participant in our legal system finds a fair arbiter. My experiences in law school have also sharpened my legal research and writing skills and leave me confident that I am equipped to be a strong clerk. As a student attorney in the Harvard Immigration and Refugee Clinic, I represented a candidate for asylum and applied the legal framework of asylum law to the facts of my client's case. Moreover, as a legal intern with the New York Civil Liberties Union, I wrote detailed research memos on complicated issues of law and was entrusted with drafting a portion of an *amicus* brief on the New York City Civilian Complaint Review Board's authority to investigate allegations of sexual misconduct against the New York Police Department.

I am eager to continue my legal training as a clerk and would be honored to contribute to your chambers' vital work. Thank you for your time and consideration.

Sincerely,

Roberto Doño Tavel

**Re: Law Clerk Application**

Judge O'Toole:

I write to express my interest in serving as a law clerk in your chambers for the 2022-2023 term.

I am confident that my extensive legal research and writing experience make me a strong candidate. Throughout law school, I took on diverse externships and research assistant positions, where I drafted legal documents for litigation, regulatory, and transactional matters. For example, while at the Department of Justice, I researched complex antitrust legal issues and drafted significant portions of motions that attorneys filed in federal courts. In addition, I took more than the required legal writing courses to produce academic papers for industry experts and a sitting U.S. Supreme Court justice. My past experiences and commitment to honing my research and writing skills will help me produce high-caliber work products for your chambers.

Additionally, I hope to clerk for you to walk in my parents' footsteps as a public servant. I saw the value of public service in my prior federal externships and as an aide in the Nevada Legislature. Ultimately, my goal is to serve my country as a prosecutor with the Department of Justice in either the Antitrust Division or Fraud Section. Working in your chambers will not only allow me to serve the public, but I also hope to learn from you to develop my writing and judgment skills. The early years of a practitioner's career are crucial, and I hope to learn from you in order to develop a sound base for my career.

Enclosed please find my resume, transcript, writing sample, letters of recommendation, and references. I look forward to meeting with you at your convenience. Thank you for your time and consideration.

Sincerely,

*Noah Teixeira*

The Honorable George A. O'Toole Jr.  
U.S. District Court for the District of Massachusetts  
John Joseph Moakley U.S. Courthouse  
One Courthouse Way, Room 7130  
Boston, MA 02210-3002

Dear Judge O'Toole:

I am a 2017 graduate from the University of Michigan Law School, and I am writing to apply for a clerkship in your chambers for the 2022-2023 term. As a public interest litigator, I hope to further develop my research, advocacy, and writing skills through a District Court clerkship. I believe that my background and experiences would allow me to excel as one of your clerks.

As an attorney at Sanford Heisler Sharp, LLP, I have refined my research and writing skills by spearheading the drafting of various legal briefs and collaborating with my colleagues on many others. Among these experiences, I have taken lead roles in prosecuting a successful appeal before the U.S. Court of Appeals for the D.C. Circuit that reversed a defendant's dismissal on personal jurisdictional grounds, defeating a motion for judgment on the pleadings concerning class-wide, disparate-impact liability for employment discrimination, and defeating a motion for summary judgment concerning an individual's claims of employment discrimination.

I have enclosed my resume, transcripts, and writing sample for your review. Also included are letters of recommendation from:

- Firm Managing Partner and Baltimore Managing Partner at Sanford Heisler Sharp, LLP, Deborah K. Marcuse (dmarcuse@sanfordheisler.com);
- University of Michigan Professor, Julian D. Mortenson (jdmorten@umich.edu); and
- University of Michigan Professor Emeritus, Edward H. Cooper (coopere@umich.edu).

Thank you for your time and consideration.

Sincerely,

Austin L. Webbert

Re: Application for Term Clerk position

Dear Judge O'Toole:

I am a fourth-year litigation associate at Winston & Strawn, LLP respectfully seeking a clerkship in your chambers for the 2022-23 term. My current practice consists primarily of sports and technology antitrust matters, including over a dozen complex disputes, as plaintiff or defendant, with substantive district court and appellate work, and significant pro bono litigation representing individuals as well as broader impact cases. The opportunity to work in your chambers would allow me to further develop my federal litigation skills and interests in pursuit of a career litigating in the public interest. Boston has long been one of my favorite cities; most of my life I have visited several times a year, from debate tournaments in high school and college, to visiting friends and family since. I am confident that my enthusiasm for the due administration of justice, diverse life experiences, and excitement for the considerable responsibilities of the position make me an ideal fit as a clerk in your chambers.

I am also confident that I would prove to be an asset to your chambers. Were I fortunate enough to clerk for you, I would bring with me more than five years of practical experience with legal research, writing, and office management, gained from two years as a paralegal and three as a litigation associate. My interest in the law and the integral role of the courts developed early, and has been the guiding force for my academic, professional, and personal activities since middle school. With my considerable legal experience, I am well-prepared and eager to take on the challenges and lessons from each opportunity I would encounter as a clerk for you.

Please find enclosed for your review my resume, transcripts, writing sample, and letters of recommendation from Cornell Law School professors Laura Underkuffler and Michael Dorf, as well as from Winston & Strawn, LLP senior counsel William Sunkel. I would welcome the chance to meet with you at your convenience. Thank you very much for your time and consideration.

Sincerely,  
Jay Wexler
